

# Warming Heads Hands & Hearts We need your Help!

The **3rd** Annual Advanced Imaging Solutions Warming Heads, Hands and Hearts campaign is officially underway! The AIS Community Involvement Committee is collecting new and gently used hats and glove/mitten sets to be distributed to elementary schools within the community.

Our goal is to continue the warmth and help at least 350 children this year.  
*It takes so little to make such a big difference.*

We will be accepting any of the following new or gently used items such as:

*Gloves and Mittens*

*Coats and Sweaters*

*Hats and Scarves*

*Winter Boots*

Collection bins will be available at each of our locations until **November 15, 2011** for contribution drop offs.

Any of our Sales or Service representatives will be more than happy to accept donations while they are visiting your company.

All donations will be distributed within the same community they were given in. AIS has partnered with local school districts who will distribute the items to those who need them most.

*If you choose to contribute you will not only be helping needy children but you will also receive recognition on our media release and mention in any advertising efforts we do to promote our fundraiser.*

**For further information please contact your Account Executive or our Community Involvement Chairperson, Jennifer Carlson at (574) 243-1096 or (800) 332-6793 ext. 233**
